- Homestead Option Sales Tax Fund
- Capital Projects

### **SECTION 3 ENTERPRISE FUNDS**

**Enterprise Fund Revenue and Expenditure Budget Proposal**

#### **Detailed schedule of each fund's revenue and expenditure budget**

- Solid Waste Fund – Public Works Department
- Storm Water Management Fund – Public Works Department
- Criminal History Fund – Police Department

### **SECTION 3 OTHER INFORMATION**

**Personnel Positions and Salary & Benefits Summary**

To: Mayor and Council  
From: Marc Johnson, City Manager  
Date: January 17, 2014  
Subject: Proposed Fiscal Year 2014 Budget

It is my pleasure to present the FY 2014 Budget to the Mayor and City Council for review and comment prior to its being officially adopted. The Department Heads and I have worked diligently in an effort to develop a fiscally sound budget. Our recommendations are based upon direction provided at the City Council Planning Retreat as well as a thorough review of our current financial status, revenue trends and financial estimates for 2014.

On December 30, 2013, the City of Chamblee changed significantly in size and demographics as the result of a successful annexation vote. The population grew by roughly 75% from 15600 to 27300. The size grew by 63% from 4.81 to 7.85 square miles and the total number of residential parcels grew by 80% from 2560 to 4610.

The financial effects of this recent annexation, like the smaller one in 2011, are based upon many assumptions and estimations. As has long been our practice, we continue to be conservative in our estimates, particularly for revenue. Given the size and magnitude of this annexation, staff has been even more conservative in the financial assumptions involved with this budget until such time as we develop a proven history with the annexed area.

At the same time, The Mayor and City Council have made it clear that Chamblee will not lower the high quality of its services due to an annexation and newly annexed areas will receive the same level of service as their predecessors. Therefore, among other things, the annexation requires a significant increase in personnel.

Several major points of the FY 2014 Budget are as follows.

- ✓ The FY 2014 Budget is balanced for all funds and totals \$20,679,326. General fund expenditures exceed revenues by \$159,462 and require \$159,462 in fund balance to be appropriated. The Solid Waste Enterprise Fund requires a transfer from the general fund of \$302,240 to supplement its revenues and achieve a balanced budget.
- ✓ For fiscal year 2014 we are projecting total revenue for all city funds of \$21,456,161 with total expenditures for all funds of \$20,679,326. The General Fund revenue is projected at \$15,643,706 vs. expenses of \$15,803,168. The unaudited surplus for all funds at the end of 2013 is projected to be \$12,125,600. The general fund surplus is projected to be \$5,836,133.
- ✓ The property tax estimates in this proposed budget are based upon the 2013 tax rate of 6.4 mils. The property tax digest will be evaluated in May or June prior to officially setting the tax rate for 2014.

## INTRODUCTION AND OVERVIEW

- ✓ The defined benefit retirement contribution for 2014 will decrease from 12.56% to 10.93% for employees that remain in that plan. The City's contribution remains at 10% for employees in the new defined contribution plan.
- ✓ Peachtree Benefits, the City's insurance broker, was able to negotiate the City's health insurance costs to an average increase of 8%.
- ✓ Chamblee will begin to handle sanitation services in the Huntley Hills area which was annexed in 2011. DeKalb County, operating under the same IGA, has agreed to continue servicing the newest annexed area for at least one year.
- ✓ There are a total of 37 additional full-time equivalents being added city wide.
  - 27 new positions are being added to the Police Department. 22 of those will be sworn positions in patrol, COPs and Traffic. Two additional operators are being added to the 911 center and a new position for detention supervisor is being created. Two additional administrative positions are also being created. One executive assistant to the police chief and a technology specialist.
  - One additional administrative assistant is being added to the administrative department at City Hall. A prime responsibility of this position is to serve the walk-in traffic. The volume is expected to increase and this will bring the total to three.
  - Seven additional positions are being added to Public Works. One equipment operator I and two sanitation workers are needed for the additional garbage truck that will be serving Huntley Hills. An additional sanitation worker is being added to minimize the times when there are not enough people to work due to vacation or sick time. Three additional workers are being added to the roads and walkways department. That department is responsible for rights-of-way maintenance and their workload will increase with the addition of the new area.

A new position of Economic Development Manager is being created. This individual will also serve as the staff liaison to the Downtown Development Authority and Main Street Program.
  - A new position of Executive Assistant/Communication Manager is being added to the City Manager's office.
- ✓ The Development Department will continue to be outsourced to Jacobs Engineering. The contracted personnel provided will increase from two FTE's to 4.5 FTE's due to an expected increase in work load due to the annexation. One of the additional part-time positions will be that of a Development Inspector which will allow for inspecting sites under development to insure compliance with approved site plans.
- ✓ \$185,000 or roughly 3.5% of current payroll was appropriated by Council to be allocated to Cost of Living and Performance-Based Merit raises. Each employee received a 1.5% COLA increase. The remaining funds were awarded as merit raises.

## INTRODUCTION AND OVERVIEW

- ✓ All capital equipment being purchased due to the annexation is being done with a lease purchase program through GMA. The equipment, valued at \$1,109,366, is being leased for a 5 year period at a nominal interest rate of 1.73%.
- ✓ Fund balance from the Criminal History Fund is being used to pay the principal and interest payments for the capital lease purchases. In 2010 Council dedicated any fund balance in this fund to be used for capital purchases.
- ✓ Funding is included to allow for performing an update to the city's comprehensive plan which is required because of the annexation. It is estimated this will cost in the area of \$75,000.
- ✓ Funds for three grants are included, one of which is reimbursable. One is a TE grant for \$300,000 for the streetscape along the railroad on Peachtree Road. That project will most likely be ready to let in January of 2015 but is included in this budget in case it is approved sooner. The other two are LMIG grants for which we must supply a 30% match.
- ✓ The city hall building will not accommodate the additional personnel being added. In order to make room, we are planning to move the Development Department to its own office. We have located space on Broad Street which is across the parking lot from city hall. By moving the entire department it is kept together as a unit and they will end up with more space in which to interact with customers. The budget includes \$70,000 which the council approved in late 2013 to furnish and equip a new office.
- ✓ As stated earlier, the city planning retreat and comprehensive plan short-term work program provide direction and guidance on the projects and programs which the Mayor and City Council would like to see undertaken. The following are some of the initiatives for which funding is included in this budget:
  - Chamblee Dunwoody Rd. streetscape and intersection improvements
  - Create and fill the position of Economic Development Manager
  - Comprehensive plan update
  - Develop a conceptual blueprint/concept transportation/parking plan for roads and streets in the downtown - specifically the mid-city and downtown district
  - Develop a priority list for sidewalks and bring to council for comment, approval and funding.
  - Continue the implementation of the Main Street Program
  - Complete the Opportunity Zone process
  - Explore a more efficient business plan for the sanitation department
  - Explore the possible purchase of land in downtown in order to provide parking
  - Identify and fund priority areas for repairs on aging stormwater facilities
  - Maintain and refine development regulations related to stream buffer, soil and erosion and storm water management controls, as required by the Water District and according to Part V criteria

## 2014 COMMUNITY DEVELOPMENT GOALS

- ❖ Prepare Comprehensive Plan update for annexed area
- ❖ Assume responsibility for building permit administration
- ❖ Develop GIS applications related to Planning and Zoning records and studies
- ❖ Update ARC Vacant Property Inventory to include annexed area
- ❖ Project management for Peachtree Streetscape Phase II
- ❖ Develop a one-stop coordinated plan review for LDPs
- ❖ Initiate LCI update implementation actions
- ❖ Hire and utilize a part time Site Development Inspector

## **2014 PARKS & RECREATION GOALS**

- ❖ Develop Parks Master Plan to maximize parks uses and programs
- ❖ Repair, maintain, and update existing facilities
- ❖ Explore grant opportunities to facilitate the expected growth of recreation programs

## **2014 POLICE GOALS**

- ❖ Recruit, train, and properly put in place 22 vacant office positions needed for the annexation
- ❖ Train and expand the Code Enforcement unit, particularly to address problems in the newly annexed area
- ❖ Remodel the Police building to hold additional personnel and strategize the effective use of limited workspace
- ❖ Purchase and implement an electronic arrest warrant system
- ❖ Train and certify officers on an upgraded Breath Alcohol testing machine
- ❖ Purchase new rifles to facilitate response to active situations
